## Fallin Conversation

174	- I'm fairly new (3 years) and I've been so pleasantly surprised by how welcoming & friendly everyone is, even compared to an already friendly Scotland. My neighbours are the best I've ever had and I've lived in every country in the UK, across several Scottish council areas, more than 20 different houses (my husband and I are expecting to be settled here for life) - There's a community owned pub - such a rare thing, and clearly a social lifeline for many. I'm really pleased to see it reopened and people able to socialise again. There's never any bother living next to the pub, which is another pleasant surprise. - It's in a really beautiful area - the Bing, the river, the views out to the Castle, Wallace Monument & Ochils - every day I'm thankful to live somewhere surrounded by such beauty. - I actually really love the lack of "entitlement" - in most cases, if people are pissed off, it's about something that's a genuine problem - although I think part of that comes from there being too many people in the village who do have genuine problems which is a shame. - Clearly a really strong sense of community. The way people came out to help each other during COVID was really touching. - People are good humoured :)	6/8/2021 10:24 AM

## Q3 What is not so good about living in our community?

Answered: 347 Skipped: 22

#	RESPONSES	DATE
1	no X-box at home so I will have to get a good job and earn lots of money. Noisy traffic - I have soft ears.	6/25/2021 4:16 PM
2	not enough cycle paths, safer routes to school. School playground and buildings need updating. More green/soft surfaces/spaces and less tarmac. Public transport is limited and expensive. Bushes overhanging footpaths.	6/25/2021 4:11 PM
3	Antisocial behaviour especially during those hard times	6/25/2021 10:56 AM
4	Parents not taking responsibility for their own Child's behaviour or turning a blind eye when it suits their situation	6/24/2021 8:57 PM
5	the council treat fallin like second class folk "its ok to leave it just Fallin"	6/23/2021 6:42 PM
6	love the community just wish it was like years ago	6/23/2021 6:37 PM
7	people leaving dog mess on tress in bags main street could do with updating	6/23/2021 6:35 PM
8	neglected parks and open areas pavements neglected bridge repairs not being available primary school being known for not so good teachings etc unsafe areas	6/23/2021 6:33 PM
9	the supply of drugs openly in the streets. The bullying in our local school unaddressed	6/23/2021 6:28 PM
10	the small minority of young people who are rude, disrespectful, vandals and ignorant	6/23/2021 6:21 PM
11	the back walk towards the bridge is so overgrown 2 people can hardly fit	6/23/2021 6:18 PM
12	sometimes not all young one don't like to be told what to do. example like don't walk on road but look at you in car you have not to tell them	6/23/2021 6:15 PM
13	people who do not put their recycling stuff in the right bins or leave it lying in the street	6/23/2021 6:10 PM
14	should be made to (drugs) keep them tidy and some state of gardens	6/23/2021 6:06 PM
15	Some individuals just don't care , are selfish and act like they are more important than others. The number of drug users is increasing rapidly, which is bringing the village down .	6/22/2021 4:01 PM
16	Antisocial behaviour. Young people do not seem to have a sense of pride in their village. This may be attributed to nothing for them to do in the evenings	6/20/2021 9:42 PM
17	There is not that many shops or places to go to and not many things to do.	6/20/2021 7:21 PM
18	Selfish people The mess older kids leave in the park The rail way when it's over grown How the village never want to souport school or nursery when the majority of our kids attend there.	6/19/2021 9:21 AM

## Fallin Conversation

19	Not enough for families and young people to do	6/18/2021 8:48 PM
20	Can often feel as though the village is an afterthought/undeserving of support compared to more affluent areas of Stirlingshire. Could do with a bit of TLC (e.g regular strimming along the cycle path - impossible to socially distance when there's barely room for even one person to walk during summer, plus might help with the dog fouling problem). Public transport isn't great - I feel it would be beneficial to have something connecting to the high school catchment areas to help with kids attending extracurricular activities or even just socialising.	6/18/2021 6:02 PM
21	Anti social behaviour. People expecting others to take responsibility. Drug abuse.	6/18/2021 5:33 PM
22	Waiting to get prescriptions until drug users are being seen before you.	6/18/2021 2:10 PM
23	Some areas of the village mainly parks and the bingo have been damaged and had litter left at them. There's been burnt bins, broken glass and lots of litter left.	6/18/2021 11:24 AM
24	the 'yobs causing trouble. the shops aren't attractive.... how about painting the concrete around the library to entice the kids to use it. not enough green walks	6/18/2021 7:30 AM
25	The village is run down, requires regeneration. Drugs, vandalism, young hooligans hanging around / using toddler play parks, litter, fires being set throughout	6/18/2021 12:54 AM
26	Lack of activities/parks for the kids. So much empty space at both polmaise & top park which could hold so much more for the kids. Gracie crescent park is not maintained (our local park). Lack of after school activities for kids & adult groups.	6/17/2021 9:32 PM
27	Drugs	6/17/2021 7:58 PM
28	I don't drive so use buses from time to time, bus service is terrible! When not getting bus to or home from work I walk and the cycle path is in an awful mess. Needing some much needed attention from the council. Also the bridge that was closed months if not longer ago, this should have been fixed before now it's unacceptable	6/17/2021 6:08 PM

56	Not enough for teenagers to do Orange walks & sectarian flags Drug dealing in streets	6/16/2021 9:41 AM

58	Lack of support for addicts and problems arising from addiction whether alcohol or drugs.	6/15/2021 3:56 PM
59	The speed of traffic going through the village. The new houses going to be built at the Throsk end. What extra services like school library health center is the builder providing to cope with the influx of people. Dog poo on the cycle path and bing people have tried to encourage dog owners to pick it up but there is a few who do not they really need to be getting fined. The cycle path is part of the national cycle way and people from all over the UK and international pass this way get to Fallin and try to dodge the poo.	6/15/2021 8:50 AM
60	Most roads are shocking and the back walk bridge needs fixed but what mostly gets my goat is through traffic speeding through the village endangering our residents	6/14/2021 9:30 PM
61	The fact that we can't have anything nice but it gets ruined.	6/14/2021 9:16 PM

67	Lack of things to do and places for the people to go, especially for the kids as this leads to vandalism and destruction of things	6/12/2021 10:25 AM
68	Some of the pavements and roads are in need of repair and the railway and bicycle path are a mess	6/12/2021 8:35 AM

73	Orange walks	6/11/2021 9:43 PM
74	Kids ie teenagers are left to run riot as there isn't anything for them to do. Also think certain people who cause nothing but bother and have done for a good few year now should be evicted by council but don't as they have a social worker beggars beliefs	6/11/2021 5:41 PM

## Fallin Conversation

when the council come to cut the grass it looks worse when they leave as they don't clear the grass away, it sits in massive clumps to rot. Also no plant pots or baskets to make the main street look nice. Other villages manage to have these

80	Although it doesn't happen often theft is a horrible crime and it is stealing from people which is horrible we should all be in this together	6/11/2021 9:25 AM
81	Grubby looking main street health centre looks historic to many takeaway no leisure facilities no decent public transport on a Sunday lots of eyesores that could have potential use ie land buildings overgrown walkways vandalism ect	6/10/2021 10:37 PM
82	No where fun to play	6/10/2021 9:22 PM
83	No skate park	6/10/2021 9:21 PM
84	Lack of things for older kids to do.	6/10/2021 9:18 PM
85	The dog mess isn't great and the parks are always covered in something (glass or rubbish) there has been alot of fires set in the village lately	6/10/2021 8:33 PM
86	Drug dealers! Not a great bus service on a Sunday.	6/10/2021 8:10 PM
87	Sometimes as a non local i can feel excluded from a lot of things. Communications at the school aren't great as they've moved from official channels to an unofficial Facebook run by local parents. There are a lot of misbehaving youths that hang around and cause trouble in the small kids parks, they break glass and have no respect	6/10/2021 8:05 PM
88	Poor bus service at weekends	6/10/2021 7:50 PM
89	The traffic on the roads. Far too may idiots not following the speed limit. The other day a blue BMW over took 2 cars on the main road absolutely flying past the doctors. The school is another accident waiting to happen with cars.	6/10/2021 7:43 PM
90	Lack of things to do	6/10/2021 5:47 PM
91	Young out of control, hate to say it, junkies, who make life hard for people, hang about shops making people feel uncomfortable. No one wants to chalk it hen for fear of reprisals.	6/10/2021 5:39 PM
92	vandals	6/10/2021 5:35 PM
93	The litter in the village is shocking. The amount of smashed glass is disgusting and it has cut my dogs several times. Cars parking on grass verges is very dangerous also.	6/10/2021 4:34 PM
94	The dog mess everywhere The rubbish and broken glass in EVERY park The fires being lit on a regular basis The state of the village generally The fact there's nowhere to go for a meal within walking distance	6/10/2021 12:53 PM
95	Nothing to do for the younger generation so the minority seem to be causing trouble sometimes but also not tough enough consequences or response to those ruining things for others- maybe more cameras would be an idea as well as the local community warden presence. Litter sometimes looks like a problem too. More bins would be good.	6/10/2021 12:14 PM
96	Nothing for kids to do	6/10/2021 11:41 AM
97	Sometimes I do not feel safe in fallin with certain people wandering and making bad choices.	6/10/2021 10:54 AM
98	I feel there isn't a lot for high school age children to do in the village. The current play parks are great for younger children however not much for teenagers and unfortunately teenagers will be bored in the village and this in turn will lead to vandalism, anti social behaviour, drinking etc. I also feel there is a lack of rubbish and dog waste bins around Fallin which increases in littering and dog fouling	6/10/2021 10:34 AM
99	Everything is getting vandalised it's not good	6/10/2021 7:54 AM
100	Groups of locals/outsideers to the village totally destroying areas of the village. For example - setting fires/breaking traffic lights/damaging equipment in parks	6/10/2021 7:27 AM
101	Anti social behaviour	6/10/2021 1:19 AM
102	The deprivation, the poor transport links, especially for those who finish work at ten pm and have to get a taxi from Stirling. It's only 3 miles away, yet Alloa has better transport links for evening workers. The crime in Fallin is an issue, cars exploded, bins melted and drugs passed in the street. The high council tax for very little return compared to bridge of Allan or Bannockburn. The council seems to wish Fallin was part of a different area.	6/9/2021 11:33 PM
103	People dropping litter.	6/9/2021 9:37 PM

109	The amount of drugs going around the village and times you see deals happening in broad daylight.	6/9/2021 4:51 PM
110	- Drug use / dealing on streets in broad daylight - Litter- in particular alleyway shortcut off Stirling Road and cycle path - Dog foul on streets, cycle path - Lack of respect of other people and public property	6/9/2021 4:28 PM
111	Lack of things to do for children. And when there is things to do, they either get vandalised or ruined with litter, fires etc.	6/9/2021 3:51 PM
112	Speeding. Dropping speed limit to 20 does not stop speeding. A lot of areas look run-down, lamp posts, traffic control bollards, old damaged fencing etc. Parking on residential streets continues to be problem, and busy road set to be busy with new housing estate recently approved. Although additional funding to doctors and schools would be welcome as a result of additional people.	6/9/2021 12:58 PM
113	People moan about what needs to be done but they dont do a single thing for the village	6/9/2021 12:45 PM

115	Could do with some stuff for older children to do.	6/9/2021 10:59 AM
116	A lot of anutsocial behaviour in the bing. Seems to lack a sense of community.	6/9/2021 10:39 AM
117	The streets are constantly littered with broken glass and litter. Groups of kids hanging around at the playpark and leaving continuous litter and bottles lying around. Dog and Horse excrement over paths and roads and in particular around the bing.	6/9/2021 10:03 AM

Parks not very good Not a lot for kids to do Glass everywhere in parks also There is lots of anti social behaviour It would be nice to have some flowers in village Lots of graffiti over village	6/9/2021 12:18 AM
123	Lack of things to do	6/8/2021 11:48 PM
124	Young people having parties smoking drugs the smell on washing litter no respect for property	6/8/2021 11:39 PM
125	Lack of pride and respect by many	6/8/2021 11:24 PM
126	Too many drug users and dealers	6/8/2021 10:37 PM
127	Open drug dealing, no police presence.	6/8/2021 10:22 PM
128	The young ones hanging about the streets when its late and dark	6/8/2021 9:34 PM
129	Poor public transport, restricting the flexibility individuals have in their workplace without incurring the cost of a taxi. Lack of community policing. Dog fouling. Litter.	6/8/2021 9:26 PM
130	Some anti social behaviour now and then including fires and violent acts	6/8/2021 9:19 PM
131	Nothing for teenagers, and bored teenagers create problems	6/8/2021 9:06 PM
132	Litter. Run down parks. Kids lighting fires	6/8/2021 9:00 PM
133	There's nothing today. The amount of space at the top park and bing and the park is tiny. There needs to be more for young children to do	6/8/2021 9:00 PM
134	The state of the cycle path over grown .dog dirt and the young ones breaking bottles on it	6/8/2021 8:26 PM

137	I feel we don't support each other when it comes to things like this. Alot of people put in alot of effort for things and they don't get as much help from the rest of the community	6/8/2021 7:28 PM
138	Transport is poor, no shops etc after 10pm at night. Dog poo along the cycle track and stirling road is terrible Kids playing in the street with balls hitting cars and breaking fences rather than playing on the park or their own garden	6/8/2021 7:15 PM
139	No respect from youths who think it it acceptable to vandalise community areas, school and what ever else they can.	6/8/2021 7:00 PM
140	Not much to do Anti social behaviour It is neglected by local authority	6/8/2021 6:16 PM
141	The amount of hooligans living here who think they own the village, putting up embarrassing signs and banners as if no one else lives here! So aggressive and entitled. Young kids with nothing better to do than terrorise the local businesses and community	6/8/2021 6:14 PM
142	Lack of things to do for kids above 10 Litter..I see the wee old man picking up after the kids every day Lack of dog poop bins	6/8/2021 5:43 PM
143	Litter in parks. Not sure what runs in the village for children - mine do not attend Fallin primary. Large groups congregating at shops in the evenings may be intimidating to some people.	6/8/2021 5:43 PM
144	Drugs misuse Library still closed whilst others open Youths setting fires recently	6/8/2021 5:33 PM
145	Very little pride of our wee village	6/8/2021 5:24 PM
146	Anti social behaviour (recent fires etc) Lack of recreational facilities, groups etc	6/8/2021 5:20 PM
147	Theres not much for school aged kids and high school kids to do. It could stop things getting set on fire, stones being thrown at windows etc if they had something to do. Even school ages kids don't have much to do just now . Church hall and alpha are still all closed so no one is too sure when they are coming back on. I was told from my health visitor big noise is coming to fallin primary involving upper school and that their is consideration for a baby noise class for the little ones which i think would be a great idea. Again save people traveling for classes. Traffic in the smaller streets still pretty quick especially in hawthorn drive and even the beginning of polmaise when you first come into the village. I wonder if they could maybe put more speed bumps in? Bigger signs also on main road for 20 so people can't say they haven't noticed them.	6/8/2021 5:12 PM
148	I feel the middle aged kids have lost a but with the parks being aimed had toddler age. General traffic wether its speeding, crossings or parking all are an issue in the village.	6/8/2021 5:02 PM
149	Antisocial behaviour Council forgetting about the village Drugs Lack of facilities	6/8/2021 4:58 PM
150	Litter things getting broke/vandalised	6/8/2021 4:54 PM
151	Not enough parks, things to do to keep kids entertained outside. Not enough things for older kids to do club wise.	6/8/2021 4:05 PM
152	The teenagers and young people - in a minority may I add, that have NO respect for anyone. Cheeky, full of attitude, vandalism, drunk and disorderly. And no one sees anything, their parents turn a blind eye, they do what they like. Kids really need more to do. I know in normal circumstances there is the Alpha clubs and Friday Club, but we have a few premises available for perhaps after school and holiday activities. Dancing/Gymnastics/Basketball etc. Same for older generation. Clubs so people can mix, catch up and get some socialising in. The speed limit in the village actually needs policed regularly. The 20mph thing isn't working.	6/8/2021 4:01 PM
153	The bus service isn't ideal especially at the weekends and some things could be updated	6/8/2021 3:43 PM

162	Poor transport links. Poor employment A legacy of poverty and disadvantage. Intergenerational trauma. A culture which can often feel closed off to other parts of Stirling and beyond. Everyone knows everyone, so there's a lot of people who might feel a sense of shame or an 'outsider' if they are not what the community in Fallin would consider as 'Normal'.	6/8/2021 12:29 PM
163	Community spirit	6/8/2021 11:52 AM
164	Drug user's wandering about, my visiting grandson went to the shop and one was asking for money then passed out outside the shop.	6/8/2021 11:37 AM
165	The kids between the age of 12-18 having nothing to do so hanging about the streets on a weekend evening & also lack of bins for people disposing dog waste	6/8/2021 11:24 AM
166	Drugs , lack of things for teenagers	6/8/2021 11:18 AM
167	There isn't much for teenagers to do so they are currently just sitting through rubbish about in the new parks, smashing bottles etc! Its not them all but the same group. It would be good for them to have something else to do. Also no younger kids clubs on anymore with covid. Not sure when they are starting back with alpha, church hall but kids love them.	6/8/2021 11:12 AM

173	- The fact there is such a high proportion of people struggling to get by in life is really sad - Lots of people seem too proud to ask for help - It's hard to find out about things happening locally to get involved with (when I first moved here, I looked online for volunteering options and couldn't find anything. I had to go to the local community council meeting to find out more) - When I did offer to help volunteer at the Alpha Centre, I was hit with radio silence despite trying several avenues of communication (including replying to a facebook post asking specifically for volunteers!) - It's not that easy to get involved with the community if you don't have kids - everything is very focussed on them (rightly so absolutely! But more opportunities for adults to socialise would be nice, outside of pub life) - I'm really pleased there's finally a coffee shop in the Village. The lack of amenities like this is a shame - The bus service is abysmal! The council seems too reliant on this notion that people will cycle into the city instead of driving as their reason for not working harder to improve public transport, but fail to recognise that the village has a lot of people who aren't mobile enough to walk/cycle. The introduction of the charity bus service was obviously welcome, but it shouldn't be down to charities to plug basic government infrastructure - and it was far too rigid a service, assuming people knew well in advance when/where they were going (I certainly don't so used the car instead of public transport pre-COVID if the weather wasn't cycle-friendly). - The lack of awareness & action on addressing the climate crisis (per previous comment, I 100% appreciate that in a lot of cases this is because it's quite an abstract thing and too many people are struggling to make ends meet as it is without having time to think about something like this - but it's poor people who are at risk of being most badly affected by it, and we need to do more to support people to both live more sustainably and to make themselves more resilient to the issues climate change creates like higher food & energy bills, property damage, flooding etc.)	6/8/2021 10:24 AM

183	The drug problem. Lack of police presence. Dog owners not taking responsibility for their mess. Teenagers hanging around and damaging property.	6/8/2021 9:35 AM
184	Fly tipping near the river and in woods, especially by locals dumping behind their houses. Makes me angry! Also need more litter bins and dog waste bins spread around. There are no litter bins anywhere near the schools, and only one dog waste bin - no wonder the rubbish piles up.	6/8/2021 9:33 AM
185	The amount of drug dealers in our village is an absolute disgrace from age 11 upwards. They are being encouraged into this by older men, it needs to be stopped. More policing in the village at the top road (Allys, back of chippy etc) Cctv would help immensely! There is not enough for young children to do, needs to be more parks especially over in king street area there's plenty free grounds.	6/8/2021 9:28 AM
186	The disrespect for others regarding your property mostly gardens. Children running riot and cheeky to adults	6/8/2021 9:28 AM
187	Anti social behaviour can be an issue. Not for me personally but hear stories of it around the village. Young people not respecting their community and the people who live here.	6/8/2021 9:24 AM
188	People who misuse facilities, a lack of respect for others from the younger community. The litter at the parks is a disgrace and can make it unsafe for younger children.	6/8/2021 9:17 AM

195	People walking around drunk or drug induced. This is very intimidating to all. People thinking it's ok to enter your property and take what's not theirs. I understand this is an issue in most areas. The village doesn't look inviting, no flowers.	6/8/2021 8:53 AM
196	Nothing for the kids. Not enough clubs etc to keep kids engaged	6/8/2021 8:37 AM
197	Rising antisocial behaviour, youths being bored causing havoc and fires. Not enough community activities, could also be due to restrictions	6/8/2021 8:29 AM

206	Vandalism, not enough to do for kids, football park not good enough for children, dogs dirt all over, parks not up to standard of surrounding villages, school no longer fit for purpose - surrounding villages all have upgraded modern schools. Weeds and jaggy nettles all around school grounds where children play, church hall and library needed updated	6/3/2021 11:18 AM

209	I have a mobility problem and need to drive an electric pavement scooter to get about. I like to drive outside the village but the pavement from Fallin to the start of the Council tip road (1 mile approx.) is very dangerous to drive on. The pavement is completely covered with dangerous bumps, humps and holes and is a hazard to drive on.. Recently I hit one of the bumps and my scooter swerved into the hedge I fell off the scooter. If I had swerved the other way I would have landed on the road in front of traffic.	6/2/2021 7:25 PM

Parks aren't good as the teenagers destroy it and leave broken glass everywhere. They even set fires most nights which is getting beyond a joke now its a disgrace and someone needs to do something about them possibly a neighbourhood watch type thing .... Cars that think it's acceptable to speed up and down King Street like boy racers and the main road...	6/1/2021 8:04 AM
218	There doesn't seem to be a lot for young people to do. Also I've lived in villages before where there has been galla days, highland games, comrie fortnight etc so that would be really good for community spirit.	5/31/2021 10:51 PM

246	People dumping rubbish (including large appliances) in certain areas for example the wooded walk near the primary school. No buses on Sundays. I can't drive and am currently unemployed but looking for work. As very little jobs crop up in Fallin, the exclusion of Sunday buses is having a large effect on work applications. I'm sure many others will be effected the same problem. Not much to do in the area.	5/23/2021 10:45 AM

248	I find all the flags a bit strange and unwelcoming	5/22/2021 7:05 PM
249	I see lots of people that are in it for themselves , drop litter , dog fowling , the back path running from Archie bone way out the village east is disgusting amount of rubbish which sums up the total it's not my job to pick up litter , they could put some bins there . There needs to be more social responsibility , people leave over filled bins on street which attract vermin	5/22/2021 6:55 AM
250	The residents who don't care for their properties and have bins overflowing or dumped items outside houses , the areas like the library needing replaced with a modern refresh and doctors car park park full of pot holes. We have had to have our house and garage doors and kitchen ceiling replaced due to break-ins and also had to re-brick our garage when people made a hole in the back of the garage by removing the bricks to steal the contents. Locals saw the people responsible walking down the street with our belongings and did and said nothing. We regularly call the police to report fires and drug taking and under age drinking in the woods. Our children don't play with anyone in the village as we don't want them to be using the same language or be involved in any of these illegal activities. The bigotry and the orange walks is unbelievable - we would never have moved here had we known. The burning of the benches near the football pitch and the destruction of play equipment (including the burning of new play area surfaces before they had even finished laying it) plus graffiti is an ongoing issue of many years. 	amount of rubbish left after parties is incredible and the only reason we don't see how bad it is, is because the old guy picks it up every day. The primary school is not great and we have personally heard the previous head teacher say that the Primary 7s are unteachable.

264	Anti social behaviour usually caused by drug and alcohol abuse. The lack of a decent bus service. The fact the safest cycle path into Stirling has been closed for months due to the bridge being unsafe, forcing people to cycle/walk next to a busy road. The lack of poo bins around the bing and occasionally the ones that are there are left to long before emptied. The village also has a problem with potholes in the streets and speeding. The alpha center could be put more to use by running fitness classes, yoga, knitting classes, arts and craft ect for all ages. A community garden/allotment would be absolutely amazing for allages aswell.	5/19/2021 7:50 PM

319	Fallin can feel quite isolated despite being close to the city centre. I don't feel there is anything really in Fallin which encourages visitors which would in turn help the local economy. 21	There are a few changes I have mentioned, the main one for me would be the walkway on Polmaise and the bridge on bannock Road,	6/18/2021 2:10 PM
22	Try to encourage people not to damage areas, ensure there's lots of bins in parks areas. Also, encourage dog owners to pick up dog mess as the school areas and parks are covered. It's a shame that children are unable to play in areas due to it or come home regularly with dog mess in their shoes. Very irresponsible owners.	6/18/2021 11:24 AM
23	more community activities physical activities spruce the place up	6/18/2021 7:30 AM

38	More bins, more benches on walks, the cycle path walk way could be kept better, more things for kids and teenagers in our alpha centre	6/17/2021 1:12 PM
39	I think a Community hub facility would be a positive improvement. This could have a meeting room, hall that could be used by groups and clubs, changing facilities on site also and possibly move the library into that also. The community council should try to take over the Alpha so that can be more accessable to people within the village. Additional parking is a must for up at the football pitches as this is causing problem with the residents in the surrounding area.	6/17/2021 11:33 AM
40	Make better walk and cycle paths around the village	6/17/2021 7:39 AM

58	Although going to 20mph seemed like a good think. When driving at 20mph people are overtaking which never happened when driving at 30mph changing the speed to 20mph has potentially made the road for pedestrians less safe. The speed limit needs to be policed average speed cameras at each end of the village would be a great solution.	6/15/2021 8:50 AM
59	Put speed cameras in and fix up the back walk. If the back walk was upgraded it would benefit many near and far.	6/14/2021 9:30 PM
60	Activities to keep younger generations engaged. Somewhere for them to go. An allotment was discussed before but nothing happened with it. 68	More in the parks for a variety on ages. I take my 20 month old to polmaise Park and sometimes have to leave because the swings that are aimed for babies/toddlers have kids aged 10 in them and the cheek out there mouths sometimes wow	6/12/2021 7:55 AM
69	More visable policing	6/12/2021 5:01 AM

90	Parks	6/10/2021 5:47 PM
91	Stamp out drug using, I know we will always have it, but they blatantly sell outside shops like they think it's their right to do so. More youth clubs/ places to go that don't cost a lot of money, not just for young people, for older people too.	6/10/2021 5:39 PM
92	local policing like there used to be when the police were in the village there wasnt a lot of crime	6/10/2021 5:35 PM
93	More bins. Both litter and poo bins. Can we arrange for more litter picks to be done by the council? I think all grass areas should be fenced off with a low barrier to stop cars from parking on them.	6/10/2021 4:34 PM
94	More bins and actual liners in the ones that are there I try and pick up rubbish and glass when at the park with my daughter but its just as bad when I go back the next time. The older kids should know better but obviously don't care so don't know how to improve on that	6/10/2021 12:53 PM

98	I think clubs or social activities for teenagers in the area (similar to ochil explorers in the raploch) would be beneficial to the area. More dog bins and litter bins placed throughout the village too would be better.	6/10/2021 10:34 AM
99	Try get something for the younger ones to do so they are not going about board and vandalising	6/10/2021 7:54 AM
100	I think most of the villagers are trying to improve the village, but the small majority make this difficult by ruining/spoiling the good things they do	6/10/2021 7:27 AM
101	Get more involved	6/10/2021 1:19 AM
102	More facilities, a regular police presence, better transport links for evening workers. Value for money in regards to council tax. All round regeneration.	6/9/2021 11:33 PM

110	- Tackle the amount of litter being thrown on the streets on a daily basis could be improved by more bins to deter from in particular children and young people (have observed and challenged them on a number of times) from throwing litter and fag ends on ground. Possibly of community clean ups or community group helping such as school, scouts etc ? - Community safety officer or police patrols more regularly to deter drug dealing on streets in front of members of public. A few teenagers dealing regularly in shortcut alley and cycle path. - More activities for children and young people (although I understand this could be reduced at the moment due to covid restrictions) - More bins not just dog poo bins where people seem to be reluctant to put litter in	6/9/2021 4:28 PM
111	Everyone coming together to help out a little	6/9/2021 3:51 PM
112	investment from council to fix fencing on common ground, road maintenance on lamposts and bollards. Perhaps more cross walks/zebra crossings in particular for access to the bing, this also help slow traffic not the 20mph limit that no one will follow.	6/9/2021 12:58 PM

117	Provide as many bins as possible to discourage littering. People taking responsibility for their children hanging about and littering at the park. More poo bins could be provided, there should ideally be one at the main entrance to the bing at the black gates.	6/9/2021 10:03 AM
118	Maybe have community police more available during times when the crime rate is high but I don't think there is a lot you can do at the moment. The youth clubs etc are closed due to covid, I think once these are back open and young people have somewhere to go this will help.	6/9/2021 9:53 AM

129	Better meeting spaces for all ages particularly young people.	6/8/2021 9:19 PM
130	Community police. Commitment from Stirling council to tackle the issue of litter. Parking at the Bing has become a scrap yard for the garage but the car park is privately owned so local people have no where to park and nothing they can do about it. Neighbourhood watch	6/8/2021 9:00 PM

159	Improving transport links to Stirling, Falkirk and beyond so that its easier for people to work and socialise outwith the village. Set up ways people in Fallin can gain access to professional qualifications. Make this accessible by running it in the village. Educating parents on the effects of trauma and shame on themselves and their children. Recognising that people many people Fallin have experienced adversities (See high ACE scores). Running courses on self care, dealing with trauma and families dealing with addictions would be helpful. Also, benefits help and advice for residents. Allowing more housing and development on the land between Stirling and Fallin so the two areas are more linked.	6/8/2021 12:29 PM

Park just next to the railway line (that was taken away) reinstated. Speed measures in all streets Ban on commercial vehicles in residential streets (before its to late and a child/elderly person is killed). More patrols from the community police officers. 170	- Improved transport to the city centre will make it easier for people to find good/better jobs & to get more favourable shifts (plus reduced air pollution etc.) - As well as helping parents with work, improved access to affordable childcare/extra curricular activities will give kids more to do with their time so they are less likely to cause trouble which in turn will make people feel more positively towards investing in their energy into the community - A long term community educational campaign, including partnership working with groups like Transition Stirling & Forth Environment Link could help get people on board with climate action - Encourage people to shout more publicly about the great things being done in the community - if this is more publicly known about it can encourage not just people to get involved but also funders to be more supportive - Be more ambitious with asking for help/applying for funds to improve things - consider looking for a fundraising volunteer for the community who's role is to find and apply for funds to deal with the things people have asked for like christmas lights, flower pots, community gardens etc. If places like Bridge of Allan can get funding easily, we absolutely should be able to as the village fits so many of the right criteria, given our low income demographic etc. - Go along to other community council meetings where they have the kind of things our community are asking for, and seek advice from them on what they did to make it happen - Hold community sessions whenever there's a new consultation out that affects Fallin, to help people understand what's being consulted on and to give their feedback//views. The city centre did this, encouraging people to attend by structuring the events around food - "come along, get a free meal (stovies, sandwiches etc) and have your voice heard", these events were really well attended & they got funding to cover the food through the council I think. - Get that bridge fixed so cyclists/pedestrians don't have to use the main road	6/8/2021 10:24 AM
171	Cameras or speed bumps right through the main road in Fallin	6/8/2021 10:20 AM

advantages of achieving this would be great for the village and community. In my opinion this should be look at and discussed as a possible project as it would bring alot of positives to the village and it would also create opportunities for more development teams in Fallin. Sport & Football has the power to bring people together and also promotes positivity within a community in many different ways and I think this would be a exciting project for the community to get behind.

135	We need to make sure the (most likely small) group of vandals setting light to bins and otherwise ruining public areas are dealt with. Unfortunately their parents may not be aware or are not in the online groups which highlight issues - or they just don't care themselves, which is a shame. My husband spotted kids playing on the roof of the nursery building, popped over, had a word and asked them down - they got off, said sorry and haven't been back, so sometimes they just need someone to set them straight. 183	There is limited funding for any improvements and what little there is, is spent on repairing what young people have damaged. Some parents seem unable to support and encourage their children/young people into gainful activity and therefore support must be provided. The route cause of all this of course is poverty and with Fallin remaining in a very low SIMD category, there is no improvement likely in the near future. Jobs, housing, and addiction support are critical underpins to any improvement plans but remain outwith the capacity of local groups. It would be nice to see a community garden similar to that in Braehead, however it is unlikely to remain intact for very long and is therefore a waste of money.	5/20/2021 7:24 PM

189	Need to look at better connections between the villages. A forth river walk from Fallin through throsk & airth, this can help with local economy, health & fitness and tourism. More use of the bing for events to help community cohesion, generate income. Other big events like a haunted walk at Halloween or enchanted forrest type event up the bing. Proper coal pit museum at the bing with a "working pit" to bring in tourism, theres one in Yorkshire that is open with a rail line and brings in thousands of people. This would be a great way to revitalise those who worked in the pits, share their experiences and knowledge and generate income and interest for the village to support other capital or development plans. Start a Fallin Development Trust, modelled on similar village trust like Neilston to bring more community involvement and ownership in local planning and development.	5/19/2021 5:59 PM

206	Consultation and development should take account of all ages abilities. Different consultation styles to encourage involvement across whole community. One size does not fit all.	5/18/2021 7:24 PM

208	Rightly or wrongly I feel Fallin is a low priority for the council. Recent improvements to the play parks have been great but the walkway into Stirling need more regular maintenance. The bridge repairs are far too slow and during the summer the edges need trimmed back more often . Some benches similar to those round the bing would be nice on the walk way	5/18/2021 6:53 PM
209	Thanks for taking the time to gather views & ideas on how to improve the village	5/18/2021 6:30 PM
210	Need better facilities for kids parks etc preferably without broken glass. Also new changing rooms for football team with parking facilities so Archie bone way is blocked with cars every time the team plays	5/18/2021 6:29 PM
211	Better parks	5/18/2021 6:13 PM
212	It seems a lovely place after just moving but I think at times it can be off putting with the teens hanging around or the boy racers etc which is a shame because it can be intimidating as a single person living alone	5/18/2021 6:09 PM
213	Love Fallin, but the sense of community is fading as new people come in & kids run amok doing whatever they like.	5/18/2021 5:42 PM

230	Town meetings like they do in American towns is much better and more inviting. Setting agendas for everyone to be given a vote. Encourage people to plant flowers in common spaces. Our history is also fading. We were more than just a mining village. We were part of a wealthy estate at one point.	5/18/2021 1:02 PM
