Trustees' Annual Report

Achievements and Performance

We comfortably achieved 10 out of 12 of our 2024 goals. Excellent progress is being made on the eleventh one (community garden), which escalated in scale at the development phase thanks to significant funding success. Goal 12 continues to be dependent on council timescales.

Our achievements this year can be categorised around the following core themes:

1. Food, warmth and social contact
2. Education and outreach
3. Village-wide infrastructure improvements
4. Fundraising
5. Partnerships, memberships and volunteer development
6. Awards and recognition

Food, warmth and social contact

Providing food, warmth and social contact in a way that's welcoming, dignified and enjoyable is always forefront in our thinking. And this year, we worked with others to deliver these key human needs in more ways than before.

Our annual free family fun day was bigger and better than previous years, with more people attending and more things to do, thanks to the efforts of at least 15 volunteers. Over 500 people turned out to enjoy inflatables, face painting, local market, hot food, candy floss and more. This was provided in partnership with Polmaise Community Council, and the Alpha Centre Committee who provided free venue hire.

We ran our weekly Grub Hubs again, providing free hot meals and a warm, welcoming space to between 60-100 people of all ages every week. Our 2023-24 ones ran until 27th February and our 2024 - 25 ran from 3rd October. This was run in partnership with Polmaise Community Council, and the Alpha Centre Committee who provided free venue hire.

We successfully trialled a free toiletry and pet food distribution pilot at the Grub Hub, giving away dozens of essential toiletry and pet products, sourced from In Kind Direct and individual donations.

Trustees' Annual Report

Achievements and Performance

We organised a summer day trip to Burntisland, covering the cost of 57 children accompanied by a further 39 adults.

Collaboration with Strathcarron Hospice improved in 2024, and we gave a small pot of funding to their weekly Snowdrop Cafe at the church hall, for drinks and snacks in the start-up phase.

Our Christmas fair and tree lights switch on was bigger than previous years, with more stalls and entertainment provided by local children from Fallin Big Noise. It was so well attended we are exploring ways to expand space for future years. This year, we offered people the option to buy memory baubles for the tree, which around 100 people bought. This was run in partnership with Polmaise Community Council, and Fallin Parish Church who provided free venue hire.

To stimulate interest in gardening, we ran a community tomato grow along, providing 30 residents with everything they need to sow and grow their own compact tomato

Trustees' Annual Report

Achievements and Performance

We facilitated the start up of a weekly walking group, which now runs regularly every Thursday morning, led by local residents.

We put on a ska concert at the Miners Welfare, performed by Scottish band The Owls, Fallin Community Voice paid for the band hire to make the concert affordable to everyone in the community. This was run in partnership with Fallin Miners Club who provided free venue hire.

In December we established a surplus food redistribution project, collecting excess food four days per week from Marks & Spencer and Lidl. This has been run in partnership with the Gothenburg Pub, who have provided free venue hire.

Education and outreach

-We participated in the Big Breakfast event hosted by Fallin Primary School, as well as their Fab Friday sessions, to engage children in outdoor activities.

-We facilitated a series of local parents' evenings for parents of students at Wallace High School, in partnership with Fallin Miners Welfare, who provided free venue hire. These were established due to low parent turnout at school-based parents evenings and saw much higher parent turnout, primarily due to removal of travel barriers.

-We shared our journey with local and national partners, presenting at networking events held by Stirling Voluntary Enterprise, Climate Forth and others, as well as participating in community development podcast and featuring in various news outlets.

-We extended our social media presence, increasing Instagram and Facebook follower numbers and establishing a TikTok account.

Village-wide development

Our Christmas lights programme more than doubled thanks to the generous sponsorship of local residents and businesses. The village lights on the main street grew from 20 to 40 graphic lights plus a further 40 lamppost braids.

Trustees' Annual Report

Achievements and Performance

Community Garden Project

We secured planning permission and a 20-year lease for a 7,000m² abandoned ex-mining site, which is undergoing transformation into a thriving community garden. This milestone lays the foundation for future growth and community engagement. Successful fundraising enabled us to:

- Maintain our project coordinator's position until the end of 2025.
- Install security fencing, lighting, and cameras to ensure a safe and accessible space.
- Purchase IBC containers capable of collecting up to 40,000 litres of rainwater, timber for raised beds and two large polytunnels—one dedicated to growing produce and another serving as an events and social space.
- Procure converted shipping containers for use as a volunteer clubhouse and working space.

Climate heritage project

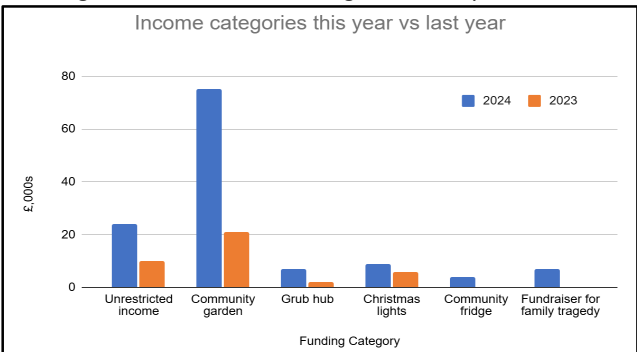

We partnered with Climate Forth (a subset of RSPB), to run a series of six community engagement sessions, focused on protecting heritage assets from the impacts of climate change. These were attended by around 30 different people and resulted in the village securing £45K of funding for important upgrades to the village community Centre and church hall. As part of this, our project development officer and treasurer also contributed to training videos for a second Climate Forth project developing Young Climate Leaders.

Community noticeboard

Towards the end of the year we installed a new community noticeboard in the heart of the village, to help improve communications for those without regular online access. Keys were given out to several key partners in the village to encourage maximum use of it.

Fundraising

In 2024-25 we brought in over £126,000, up from £45,000 last year and £15,000 the year before. The graph below shows the various categories the income was assigned to, this year and last.

Robert was nominated for his many years of almost daily litter picking in the village, no matter the weather, and was presented with a trophy and cash prize.

Trustees' Annual Report

Financial Review

The charity's income for the accounting period was £128,424 (2024: £43,662), expenditure was £101,046 (2024: £20,045). Total funds as of 31 January 2025 were £57,481 (2024: £30,104) with £15,192 (2024: £9,630) of these being unrestricted. The charity generated a surplus for the year of £27,378 (2024: £23,617).

Reserves policy

It is the policy of the Charity to maintain unrestricted funds, which are free reserves of the Charity, at a level equivalent to three months' expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the organisation's current activities while consideration is given to ways in which additional funds may be raised. Based on the accounts for the year ended 31 January 2025, ordinary expenditure for 3 months amounts to £25,262. At 31 January 2025, the charity held unrestricted free reserves of £15,192. The trustees are aware that this policy is not currently being met and continue to work on generating unrestricted income.

Future Plans

As we move into 2025, our focus remains on sustaining and expanding our initiatives. Priorities for the coming year include:

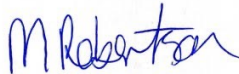

- Feeding more people via Grub Hub and more food-based community events
- Completing the development phase of the community garden and launching new workshops and activities.
- Providing space at the community garden to local groups to deliver their own programmes
- Establishing a quiet hour ahead of the main opening of our annual fun day, to cater to those with neurodivergencies
- Running more events and day trips for the community
- Working with Stirling University to provide volunteer-led education support to vulnerable children in the community
- Establishing the community fridge, pet pantry and toiletry pantry on a more permanent basis
- Expanding our engagement efforts to encourage more local residents to participate in our projects.
- PVG-certification of volunteers involved in projects aimed at children
- Continuing to strengthen partnerships with local organizations, businesses, and government agencies to enhance our impact.

The trustees declare that they have approved the report above.

Accounts of the charity for the period	1 February 2024 to 31 January 2025
Set out on pages	13 - 19

Respective responsibilities of trustees and examiner:

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement:

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent Examiner's statement:

In the course of my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements to:

- keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations
